Carrying forward the same thought process, we cracked an idea that'll resonate with the workplace of the future and that's how #OpenWorkCulture was conceived. Now the challenge was to break the clutter and create a memorable and charming piece of communication. We had an existing property of the Allen Solly Stag. We found a sweet spot when in the new brand narrative, we managed to bring the Stag to life. That's how the Allen Solly Stag commercial was conceived. Cinematic flair is what made the TVC sticky and unforgettable. And this was just the beginning of the campaign. There's lots more to come.”
