

## Power dressing

Sometimes coy; yet not one to get threatened by little matters; the contemporary Indian woman has many sides to her persona and who better than Allen Solly to give her a look that brings out her sensuous side without dominating the toughness of her inner resolve.

Great designs, with accentuated comfort and chic — this new range exclusively for the woman on the go is targeted at the new age woman. Allen Solly womenswear gives the Indian woman executive a range of relaxed formal wear with a lot of visual appeal.

Check out the all new linen skirts, tops and summer print collection at the newly opened exclusive outlet at Inorbit Mall, Malad, Mumbai.
