PANTALOONS LAUNCHES 'WOMAN'S WEDNESDAY'

Pantaloons, the newly acquired business by The Aditya Birla Group, one of India's leading international conglomerates is a powerhouse of fresh fashion and innovation. Pantaloons caters to the discerning and trendy Indian consumer.

Pantaloons apparels spell comfort and elegance, combined with a 'freshness' that is unparalleled. The styles cover a gamut of ready-to-wear western and Indian apparel for men, women and kids, in addition to accessories and exotic fragrances. With a strong national presence in 77 exclusive stores across 38 locations in the country, Pantaloons houses over 100 prestigious brands that have something fresh for everyone.

The brand has announced the launch of their new property 'Woman's Wednesday' at the Phoenix Mills, Lower Parel. This indigenous concept was created in order to celebrate young fashionistas and to give them an opportunity to have fun while the mid week woes bear on them. "Revel, indulge, pamper…” sums up what Woman's Wednesday has to offer. The weeks to come will see select Pantaloons stores come alive to Woman's Wednesday celebrations every first Wednesday of the month. Right from professional advice from style advisors, to do-it-yourself makeup and styling workshops, Woman's Wednesday will be an action packed stylish affair. Women can also turn up with their gang of girls and have an evening of fun and games at Pantaloons. The thought behind 'Woman's Wednesday' was to give women more reason to indulge themselves at a Pantaloons store near them.

The property saw a grand launch by Ex-Miss India and Bollywood beauty, Gul Panag. Pantaloons is also creating a 12 page calendar in association with Cosmopolitan that will feature stylish, quirky, expressive young girls attired in Pantaloons apparel from different walks of life. Entries have been invited from Pantaloons stores across the country. Entries will be shortlisted and 12 lucky girls will get a once in a lifetime opportunity to feature in this Calendar.

Commenting on the occasion of the launch, Shital Mehta, CEO Pantaloons Fashion & Retail said "Pantaloons focuses on customer delight and nurturing fashion sensibilities. 'Woman's Wednesday' is one more fashion step in that direction. This marketing initiative is aimed at engaging with every young woman customer and thereby encourages her to express herself through the way she styles herself and fashionably looks at her wardrobe. We aim to
strengthen our dedication towards our consumers by providing the best of what Pantaloons has to offer."

Gul Panag, Ex-Miss India and Bollywood actress who launched the concept further added "I am happy to be part of the very first event of Pantaloons Woman's Wednesday in association with Cosmopolitan. I see this as a refreshing way for Pantaloons to engage with its woman customers. Showcasing young style divas on a calendar is such a wonderful idea, it encourages more women to dress to express."
